

SKRADD Evergreen Private Equity Index

Q1 2026

The SK Research and Due Diligence, LLC Evergreen Private Equity Index (**SKRADD-PE**) tracks the performance of the ten largest publicly reporting evergreen private equity funds, based on net assets and subject to eligibility requirements. Eligible structures include interval funds, tender offer funds, and operating companies. Index constituents are weighted by net assets as measured during the fourth calendar quarter of the prior year. Index returns are calculated on a quarterly basis and rebalanced annually. For more information, the methodology documentation can be found at altidar.com/post/skradd-pe.
