

# SKRADD Credit Interval Fund Index

## Q4 2025

The SK Research and Due Diligence, LLC Interval Fund Credit (**SKRADD-IFC**) Index tracks the performance of the twenty largest interval funds primarily investing in credit investments. The index constituents are weighed by fund net assets as measured during the fourth calendar quarter of the prior year. Index returns are calculated on a quarterly basis and rebalanced annually. For more information, the methodology documentation can be found at [altidar.com/post/skradd-ifc](https://altidar.com/post/skradd-ifc).

### Index Performance

The Morningstar LSTA US Leveraged Loan 100 Index (LSTA 100) is a market value-weighted index designed to measure the performance of the one hundred largest facilities in the US leveraged loan market. The S&P U.S. Aggregate Bond Index (SPUSAGG) is designed to provide broad U.S. coverage of the investment-grade U.S. fixed income market by drawing its constituents from seven major fixed income asset classes.
